Seward &amp; Kissel LLP

**About Seward & Kissel LLP**

Seward & Kissel LLP is internationally recognized as offering sophisticated legal advice emphasizing business, financial and commercial law and related litigation and as a leader in the asset securitization industry since its inception. In connection with the financial crisis, we helped to develop innovative approaches to securitization restructurings and the government initiatives that provided support to the financial markets. More recently, we have been assisting our clients in developing new structures designed to comply with the various regulatory reforms and accounting changes adopted in response to the financial crisis. Our clients include issuers, underwriters, placement agents and dealers, servicers, sponsors, administrators, first loss providers, liquidity providers, trustees and credit enhancers participating in all facets of securitization.
